The National Junior Honor Society has again sponsored and produced this yearbook. We hope that it will be a memory book for you--of friends you have known, good times that you have had--teachers who have helped you--staff members who have been here when you needed them, and that in the future you will enjoy it more and more. We wish to thank Mr. Conatser and Dwain Smith for helping with the photography, Mrs. Reid for the typing, Pam Robertson and Marjorie Jennings for their work, and Mr. Curtis who gave his encouragement.
